## La Barraca Alimentación

Fundada en **1912**  
Founded in

**La Barraca** es una de las marcas con mayor tradición y prestigio entre las empresas especializadas en azafranes, especias y condimentos de España. Fundada en 1912, se mantiene en una evolución constante adaptándose a las nuevas tendencias.

La gama de productos de La Barraca se adapta a la perfección a las necesidades de la gastronomía tradicional y a la nueva cocina, donde las combinaciones de sabores naturales son fundamentales.

Especias para todos los gustos, azafranes aromáticos, pimentones recién molidos e infusiones de hierbas recolectadas en su mejor momento.

En La Barraca podrá encontrar productos enfocados al mercado de gran consumo y también productos dirigidos al mercado gourmet.

*La Barraca is one of the brands with the longest tradition and prestige among the companies specialising in saffron, spices and condiments in Spain. Founded in 1912, it is constantly adapting to new trends.*

*La Barraca range products is perfectly adapted to the needs of traditional and new cuisine, where natural flavours combinations are essentials.*

*Spices to suit all tastes, aromatic saffron, freshly ground paprika and herbal infusions harvested at their best moment.*

*In La Barraca you will find products focused on the retail market and also products for the gourmet market.*

**Garantía de Calidad**  
*Quality Guarantee*

**La Barraca Alimentación** pone al alcance de tu mano, toda la información necesaria para la seguridad alimentaria, llevando a cabo todas las medidas de seguridad necesarias para garantizar la calidad de todos nuestros productos durante su envasado. **La Barraca Alimentación** offers you all the necessary information for food safety, carrying out all the necessary safety measures to guarantee the quality of all our products during their packaging.

La empresa cuenta con la **International Featured Standards (IFS), IFS Food** es una norma de seguridad alimentaria para auditar empresas que envasan o fabrican alimentos, y se centra en la seguridad y calidad alimentaria de los productos envasados, por lo tanto la obtención de la IFS garantiza la seguridad de todos los productos.

*The company has the International Featured Standards (IFS), IFS Food is a food safety standard for auditing companies that pack or manufacture food. Therefore obtaining the IFS guarantees the safety of all products.*

**La Barraca** ha creado el símbolo **SIN GLUTEN**, para etiquetar todos nuestros productos libres de gluten y trazas que puedan contenerlo. De esta forma todos nuestros clientes pueden identificar fácilmente qué productos son seguros para su consumo en personas celiacas.

*La Barraca has created our GLUTEN-FREE symbol to label all our products free of gluten and traces that may contain it. In this way all our customers can easily identify which products are safe for consumption by people with coeliac disease.*

La **agricultura ecológica**, es un sistema de producción y elaboración que tiene como objetivo la obtención de alimentos de óptima calidad, libres de residuos, minimizando el impacto humano en el medio ambiente. La certificación ecológica garantiza que los productos han sido producidos o elaborados siguiendo las normas de la agricultura ecológica, en todo su proceso de producción, elaboración, envasado y comercialización.

*Organic agriculture is a system of production and processing that aims to obtain high quality food, free of waste, minimising the human impact on the environment. The organic certification guarantees that the products have been produced or elaborated following the rules of organic agriculture, in all its production process, elaboration, packaging and commercialisation.*
